Tolan is the company's leading Tour Director and will be the friendly face that guides you around New Zealand. After spending 18 years in the IT industry with Intel and Microsoft the lure of the golf course was too strong! Beginning with a 2-year stint as a club maker, the fire was lit and with a desire to combine the love of golf, people and travel, it was only a matter of time before Tolan joined the Playing Around New Zealand team. With a cheerful and humorous personality and a local golfing knowledge that is second to none, Tolan is the perfect tour director and host. The Golf Courses

Christchurch GC (Shirley)

Christchurch Golf Club is rated as one of the best courses (known as Shirley) in New Zealand.

Excellent fairways, strategically placed bunkers, water hazards and beautiful greens. Course remodelled by the great Peter Thomson. The club has a fully stocked Pro Shop with hire clubs and motorised carts along with extensive practice facilities including permanent mats and undercover bays.

Clearwater Resort (Christchurch)

Clearwater Golf Club is located 20 minutes' drive from Christchurch city centre. Designed by Sir Bob Charles the course has played host to 8 NZ PGA Championships, 2 NZ Opens and 4 NZ Women's Opens. This course combines elements of links golf inspired by the great Scottish golf courses, with parklands golf, more reminiscent of Florida. Despite water coming into play on no less than 14 holes, this is a golf course that golfers of all abilities will enjoy. The onsite hotel, currently managed by Peppers, provides superb lakeside accommodation and fine dining options.

Millbrook Resort (Queenstown)

Designed by Sir Bob Charles and surrounded by the alpine backdrop of the Remarkables mountain range, the impeccably groomed fairways and greens of Millbrook provide an exhilarating experience. Situated 25 minutes' drive from Queenstown the course provides a challenge for golfers of all abilities and is considered to be one of the most impressive international golf arenas in the world. Millbrook is about to add 9 new holes, making 36 holes in total. These holes will boost Millbrook's reputation as one of New Zealand's best resort courses.

Jacks Point (Queenstown)

With a backdrop of 2300 vertical metres of the Remarkables mountain range and an armchair view of an outstanding lake panoramas, Jack's Point Golf course is one of the most visually spectacular in the world. As an 18 hole par 72 championship course it offers golfers an exciting challenge with five tee positions to choose from, providing all golfers an unforgettable golf experience. The course has been designed around the natural landscape, with minimal excavation. The course is built on the most spectacular of Jack's Point terrain. Designed in harmony with the natural environment, the course weaves through native

tussock grasslands, dramatic rock outcrops, steep bluffs and swathes of native bush to the edge of Lake Wakatipu. The presentation of the course is second to none, which makes Jack's Point one of the world's great golfing experiences.

Option:

The Hills

The Hills, opened in 2007, is set over 101 hectares (250 acres) of former deer farm on the outskirts of Arrowtown in Central Otago. The Mill race winds its way through the property and feeds the ten lakes and various ponds and waterways on the golf course. Trees, both native and exotic, are a feature of the course. The wetland area have been expanded, planted out with varieties of New Zealand flax, toetoe, the ubiquitous cabbage tree and wetland grasses and reeds. More than 50,000 red and silver tussock plants create a spectacular visual statement.

Winter snow and frost conditions provide the ideal climate to grow fine grasses preferred for modern day golf. The course is the current co-host of the New Zealand Open.

Christchurch & Canterbury

Canterbury stretches from ocean to the Alps, a land of plains and peaks. It is a place of variety and innumerable attractions where, within two hours of an international airport, you can ski, play golf, bungee jump, go white-water rafting, mountain biking, wind surfing, whale watching, and visit world-class vineyards and gardens. Where else in the world can you do that?

A must-see is New Zealand's highest peak, Aoraki Mount Cook. Go hiking in Arthur's Pass National Park or just wander around the picturesque bays and villages of Banks Peninsula. And then there's New Zealand's second-largest city, Christchurch known as 'The Garden City'. In February 2011, Christchurch was hit by a huge earthquake. Much of the central city with its classic neo-gothic architecture was destroyed. But it remains a beautiful city, a city where you can cycle alongside the river, stay in good hotels and indulge in fine sophisticated dining, and a city where, just 15 minutes from the centre you can scramble up mountain bike tracks or ride a wave at a surf beach. The buildings may have been damaged but the soul of the city and the welcoming spirit of the people remains very much intact. Don't miss visiting Christchurch.

Christchurch Highlights:

- Take a day trip to Kaikoura and go whale watching.
- Visit the seaside village of Akaroa and take a cruise on the harbour.
- Punt on the Avon River.
- Take a walk in the Botanic Gardens.
- Visit the Antarctic Centre.

Queenstown

Queenstown is the New Zealand destination for international visitors. Its natural beauty changes with the seasons, the lake gleams in the summer sun, and snow clad mountains tower above the township in winter. Queenstown is a great place to visit all year round. Nestled in beside the mysterious Lake Wakatipu, in the Southern Lakes district of New Zealand, Queenstown is a cosmopolitan haven, offering a limitless adventure, southern wine and cuisine, and breath-taking alpine scenery.

Queenstown Highlights:

- Take the gondola to the Bobs Peak and enjoy panoramic views of the region.
- Tour the Central Otago wineries where Pinot Noir is a speciality.
- Visit Arrowtown, a quaint village with a gold mining history.
- Partake in one of the several adrenalin adventures including bungee jumping, white water rafting, skydiving or jet boating.
- Trust the chef at Amisfield Winery.
- Take a scenic flight to Milford Sound or a nature cruise on Doubtful Sound.
- Visit Walter Peak Farm via the TSS Earnslaw.
