The Golf Courses

Wairakei Golf and Sanctuary

Wairakei lies on 180 hectares of natural rolling countryside, 6460 metres from championship tees with 108 large well placed bunkers and was developed to meet the rigorous design standards required for world-class championship competitions. Wairakei golf course has been skillfully designed to blend with the surrounding native bush. Prolific birdsong, picturesque scenery and a unique pest-proof sanctuary (the first of its kind) has led to Wairakei being recognised by many as New Zealand's number one golf course. The predator-free sanctuary offers a safe haven to fallow deer and many birdlife including mixed colour pheasants, guinea fowl, ducks, native kiwi and takahe, which are all free to roam around the course.

The Kinloch Club

The first Jack Nicklaus Signature Golf Course to be built in New Zealand has been created around the unique natural features of the site rather than transforming the landscape to meet a uniform golf course design. The course fits the landscape with ease, and the backdrop of Lake Taupo provides a magnificent setting. Jack Nicklaus on the Kinloch golf course development: "The Kinloch site has the views and all the elevation that you need for a great golf course. It will be a very special and enjoyable golf course." Sir Bob Charles, on playing Kinloch for the first time, stated "Having just played Kinloch for the first time I can honestly say this is the # 1 golf course in New Zealand. For those unable to play the great links courses of Scotland, Kinloch compares with the best of them. A true links experience with Jack Nicklaus at his best."

Playing Around New Zealand

In the summer of 2003, a passion for golf and travel prompted Will Owen to buy a small minibus and begin offering a daily golf service for visitors to Christchurch, New Zealand. Through hotel and online marketing this service became popular and he expanded the tours to include other destinations on the South Island. In 2004, he conducted his first multi-day tour for a golf group from Australia along with several self-drive itineraries for visiting golfers from across the globe. By the summer of 2005, Playing Around New Zealand was firmly established and Will began employing the services of first class guides to assist him in making his tour service truly nationwide. Fast forward to 2020 and thousands of golfers from across the world have enjoyed the first-class itinerary planning and tour services from the team at Playing Around New Zealand, lifelong friendships have been formed and several visitors have returned to New Zealand for their second, third and even fourth golf trip! Will now leads a small team of dedicated professionals from his Auckland office. During the past fifteen years, they have built superb relationships with the best New Zealand golf courses and accommodation providers to ensure that golf visitors who use their services have the best possible travel experience.
