Tolan Henderson

Tolan is the company's leading Tour Director and will be the friendly face that guides you around New Zealand. After spending 18 years in the IT industry with Intel and Microsoft the lure of the golf course was too strong! Beginning with a 2-year stint as a club maker, the fire was lit and with a desire to combine the love of golf, people and travel, it was only a matter of time before Tolan joined the Playing Around New Zealand team. With a cheerful and humorous personality and a local golfing knowledge that is second to none, Tolan is the perfect tour director and host. To say Tolan is an avid golfer is an understatement – when not touring you can almost guarantee that you will find Tolan on a golf course somewhere! Not only has he played just under 300 of New Zealand's 407 golf courses he claims to have ticked off most of the courses in the South Pacific Islands and Hawaii and is now threatening to start on mainland America.

The Golf Courses

Gulf Harbour Country Club (Auckland)

Gulf Harbour Country Club is a spectacular golf course located only 40 minutes north of the Auckland CBD and was home to 1998 World Cup of Golf, the course itself was designed by Robert Trent Jones Jr. it is well known for its stunning views out over the Hauraki Gulf. The layout is a Championship par 72, with returning 9's of par 36. Each nine consists of two par 3's, five par 4's and two par 5's and will challenge golfers of all ability.

Carrington Resort (Karikari Peninsula)

Between the sweeping ocean views to the north and east, and the hillside vineyards of Karikari Estate to the south, is the Northland golf course at Carrington Estate, American golf course designer Matt Dye designed the championship-standard 18-hole Carrington Golf Course. It is 6417 metres in length and it encompasses a variety of terrains from rolling vales to challenging water holes.

Kauri Cliffs (Bay of Islands)

Kauri Cliffs was designed and built by David Harman of Golf Course Consultants, Orlando, Florida. The par 72 championship golf course measures 7,119 yards/6,510 metres and offers five sets of tees to challenge every skill level. Fifteen holes view the Pacific Ocean, six of which are played alongside cliffs which plunge to the sea. The beautiful inland holes wind through marsh, forest and farmland. The golf complex includes a world-class practice range, putting and chipping greens, a well-stocked golf shop and ladies' and mens' locker rooms.

Wairakei Golf + Sanctuary (Taupo)

The Wairakei Golf & Sanctuary is set midway between Auckland and Wellington, in the heart of the spectacular scenery of the Lake Taupo region. Designed by Commander John Harris, Michael Wolveridge and Peter Thomson with the aim of producing New Zealand's first internationally recognised golf course, there is little doubt that this trio exceeded all expectations. The end result is a course that sprawls over 450 acres of natural countryside. This coupled with the 6429 metres from the championship tees and 108 large well placed bunkers has lead Wairakei to receive worldwide acclaim.

Kinloch (Taupo)

The first Jack Nicklaus Signature Golf Course to be built in New Zealand has been created around the unique natural features of the site rather than transforming the landscape to meet a uniform golf course design. The course fits the landscape with ease, and the backdrop of Lake Taupo provides a magnificent setting. Jack Nicklaus on the Kinloch golf course development: “The Kinloch site has the views and all the elevation that you need for a great golf course. It will be a very special and enjoyable golf course.”

Cape Kidnappers (Hawke’s Bay)

The American designer of Cape Kidnappers, Tom Doak, who is also well known for his prize-winning courses in the US, has said that, 'If Cape Kidnappers were a book it would be an epic. Enjoy your game and enjoy the setting (because) you may never play golf somewhere like this again'. Like Kauri Cliffs, Cape Kidnappers plays above the ocean, atop dramatic cliffs, but unlike Kauri Cliffs, where the shape of the land dictates play along the shoreline, this course runs to and from the edge. Cape Kidnappers is built on a ridge-and-valley landscape with spectacular sea views.

Auckland's blend of harbour, islands, Polynesian culture and modern city environment has created a lifestyle ranked amongst the best in the world. The natural assets of Auckland have made it a dream destination for all kinds of travellers, from doing-it-on-the-cheap backpackers to cost-is-no-issue super yacht owners. Welcome to Auckland, our largest and most diverse city. Being at the narrowest point of the North Island it literally stretches itself from one side of the country to the other – from the Pacific Ocean to the Tasman Sea. This means, wherever you are in Auckland, you're never far from the water. From big wild rolling surf beaches to a beautiful gulf scattered with tranquil holiday

islands, the sea and all its attractions are why this is known as the City of Sails. From some of New Zealand's best shopping and dining experiences to a cruise on the beautiful gulf harbour – a few days in Auckland is the perfect beginning or end to your vacation in New Zealand.

- Waiheke Island wine and food experience.
- Harbour Bridge climb & bungee jump.
- Shopping in Parnell and Ponsonby.
- Americas yacht sailing experience or fishing for Snapper on the harbour.
- Enjoying the panoramic views from Mount Eden or exploring the black sandy beaches on the West Coast.

Bay of Islands

The Bay of Islands is one of New Zealand's great holiday destinations - enjoyed by 'Kiwis' and international visitors alike. This is authentic New Zealand - both stunningly beautiful and historically significant. With a sub-tropical climate, you can enjoy beach and water activities, go exploring one of the many nature walks, swim with dolphins, charter a boat to go fishing or to explore the 144 different islands in our bay. The Bay of Islands was where the first European settlers arrived, and where they forged the first relationships with local Maori - not always a friendly experience! The famous Treaty of Waitangi

became the founding document for our new nation and is celebrated every year at the Waitangi Treaty Grounds. Each town in the Bay of Islands has its own unique culture and lifestyle - from the more up-market lifestyle focus of Kerikeri, to bustling Paihia with its focus on providing a great visitor experience, to the calming historic atmosphere of Waitangi and the Haruru Falls, and the beautiful and sometimes quirky sea-side town of Russell.

Activity recommendations:

- Explore the Islands by charter boat.
- A day trip to Ninety Mile Beach and Cape Reinga.
- Visit the Waitangi Treaty Grounds.
- A day trip to Hokianga and the Waipoua Kauri Forest.
- Visit the beautiful town of Russell.
- Diving, snorkelling and swimming with dolphins.

Hawke's Bay

There are two words that sit with Hawke's Bay and they are Wine Country. Hawke's Bay is one of New Zealand's warmest, driest regions and this has made it one of the country's leading producers of wine; notably red wines – cabernet sauvignon, merlot and latterly syrah – but also with some quite stunning whites. But there is much more than wine to this glorious place. It is New Zealand's Art Deco centre, rebuilt in the 1930's after a huge earthquake. It hosts the country's most elaborate celebrations of Matariki – the Maori New Year. It's a place where you can shop at the farmers market for locally grown delicacies, indulge in artisan gourmet food, and join the lunchers at Napier's Great Long Lunch. And it's a place where you can walk the forest trails of the Ruahine and Kaweka Forest Parks or the glorious beaches that stretch along the coast.

Activity recommendations:

- Take a tour of the world class wineries.
- Enjoy lunch/dinner at the Craggy Range or Elephant Hill wineries.
- Walk amongst the Art Deco buildings in Napier.
- Visit the largest mainland gannet colony in the world at Cape Kidnappers.
- Visit the national aquarium on Napier's seafront.

Rotorua & Lake Taupo

Rotorua is one place where the turbulent forces that formed New Zealand are most evident. This city, on the Volcanic Plateau, has one of the world's most lively fields of geothermal activity. Skyrocketing geysers, hot springs and boiling mud pools all tell you that this place sits squarely on the Pacific Rim of Fire. Rotorua is also the ancestral home of the Te Arawa people who settled here more than 600 years ago and their presence offers the visitor numerous cultural experiences. See the clear blue waters on a summer's day and Lake Taupo can appear the most beautiful and tranquil place in New Zealand. Appearances deceive. Taupo is more than a lake. It is a volcano with no top – a top that was blown off in one of the largest and most devastating eruptions ever seen on

the planet. Visit the Craters of the Moon and you will see evidence of its fiery birth in the geysers, steaming craters and boiling mud pools.

Activity recommendations:

- Visit Huka Falls and the geothermal parks at Wai O Tapu or Te Puia.
- Enjoy a relaxing massage or treatment at the world class Polynesian Spa.
- Visit a Maori village and experience a cultural show.
- Take a twilight cruise on Lake Taupo or xxperience fly-fishing in the pristine rivers.
- Take a hike in the Tongariro National Park.
